ANDERSON COLLEGE AND THEOLOGICAL SEMINARY

"The world will  
little note, nor long  
remember, what we  
say here, but it  
can never forget  
what they did  
here . . . ."

A. Lincoln

## PREFACE

It has been said that an institution is a pattern of social relations in which a majority of the people play roles which presumably best satisfy certain human needs. Certainly that is true of Anderson College and Theological Seminary. Constantly she is meeting basic needs in the lives of student and teaching personnel; giving satisfaction as no other institution can do.

The aim of this book is to present a portrait of our Alma Mater as she renders her twenty-ninth year of service. We send this portrait forth to you, hoping that by pen and camera we have captured and retained some of the spirit that has characterized her onward march. We are further hopeful that this portrait shall stand as a living reminder to all who now are and to all who will in the future be a part of her life, that there yet remains an "unfinished task" to which we must give our hearts and hands.

C. L. Quinn, Anderson, Indiana

Fixing as their goal the creation of an educational institution on an equal standing with all others, Dr. John A. Morrison, president, and Dr. Russell Olt, dean, far back in 1925 began building toward the event which, on March 27,

1946, culminated in Anderson College's being granted membership in the North Central Association of Universities, Colleges and Secondary Schools.

From that tiny beginning late in the fall of 1917 when Anderson Bible Training School, with a faculty of six and a student body of sixty-five, opened its doors, unsung and unnoticed, in the world of education, there has grown an institution of more than six hundred students for 1945-46, a faculty ranking with the best in Indiana, and a curriculum equal, subject by subject, credit hour by credit hour, with the courses of study in the 320 other recognized colleges that are members of the Association which covers twenty states.

Even as the student body and faculty observed the great occasion in proper manner, President Morrison

and Dean Olt were announcing, "It has been a hard job getting where we are, and it is going to be a far harder one to stay there." The load they had carried was heavy and, to meet the bigger demands of the future, they asked for the help of all.

Ahead, as Dr. Morrison told those assembled, the day following recognition of the College, is to come a graduate school of religious education, dormitories, library and science buildings, chapel, music hall and a plant for physical education; with these, an enlarged faculty, classroom space and equipment to meet the growing student needs, an enlarged vision and program. Built greatly by the work of two men, Anderson College looks ahead.

PRESIDENT MORRISON

# MINISTER'S FELLOWSHIP

EDWIN OGLE, *president*

BROOKS LINN, *vice-president*

DR. ADAM W. MILLER, *faculty adviser*

C. A. LONGTON, *secretary-treasurer*

The purpose of the Minister's Fellowship is to promote spirituality and to bring all the ministerial students of Anderson College into a common fellowship. As a result of the work of this organization, we find that there is a goodly number of students who are willing to serve whenever possible, by visiting the churches near Anderson, without any obligation on the part of the church visited.

Many interesting and worth-while activities were planned for the year and many rich experiences were shared by the group.

An all-night prayer meeting is sponsored by the Booster Club several nights during the school year.

## PRAYER VIGIL

## CHRISTIAN VOLUNTEERS

Each year students volunteer to give part or all of their summer vacation for Christian Volunteer work. Some have worked with the Japanese in relocation centers; others have worked with mountaineers or have started Bible schools in trailer camps. Many compliments have been paid to these consecrated young people for their excellent work.

# STUDENT VOLUNTEERS

GLADYS TEFFT, *vice-president*

MAXINE DETWILER, *recording secretary*

ANNA HOLINSWORTH, *corresponding secretary*

DR. ADAM W. MILLER, *faculty adviser*

EMERY WILLIAMS, *treasurer*

The Student Volunteer Movement, organized in 1888 as the missionary department of the Student Christian Movement, stretches throughout the world to stimulate and encourage missionary endeavor among colleges and universities. Our group at Anderson College is an offshoot of this great movement and maintains close contact in many ways with other Student Volunteer bands.

## **VARSITY**

The 1945-46 edition of the Anderson Ravens faced a difficult season this year with players continually coming from or going into Uncle Sam's service. Pictured above, standing, are Quentin Withrow, captain; Grant Genske, J. D. Thomason, Don Smith, and Wayne Thompson. Kneeling are Kenny Watkins, Ross Mitchell, Don Schlabach, and Bill Miller. Not pictured are Gene Powell, Bill Farlow, and Oscar Borden.

Edwin Upshaw, Earl VanSipe, Grant Genske, Quentin Withrow, Bill Farlow, Dr. Clifton White, Ross Mitchell, Oscar Borden, A. O. Jenkins, John Shriner, Douglas Anger, Alfred Lange.

## "A" CLUB

## CHEER LEADERS

The unusual enthusiasm displayed by the fans this year was due largely to the work of this vivacious team of cheer leaders. They are Thelma "Yeah, Man" Scott, Evelyn Meyer, and Ann Shervey. Thelma was the only newcomer elected, Evelyn and Ann having been leaders last year.

## RAVENS

Leading this year's edition of the Ravens into action was Captain Quentin Withrow, a Junior, team high-point man, expert at any position. His steady hand of experience was vital in holding together the team composed largely of inexperienced players.

Another returned G.I. is Freshman Kenny Watkins, fast and elusive forward. His joining the team in midseason added reserve strength. Another second semester man is Don Schlachbach, a Freshman who succeeded in dropping the basketball through the hoop with great regularity. Small but fast, he was a thorn in all opponents' sides.

## Anderson Thumps T

## SPORTS RAV College Basketball

**CLAMOR FOR TICKETS ! ! ! !**  
The public clamor for tickets to various regional, semi-final and state, is on.  
Bob Stranahan of Indianapolis favors moving regional games to the local Wigwag. He says the local Wigwag, located on West 37th street, Anderson, thinks it would be a good place to stage the games.  
Both Stranahan and Seeman seem to agree. Seeman has already been assigned both semi-final games and has a sectional which will be staged at the same place.  
IHSAA has seen fit to grant Anderson, Indiana's really great centers of basketball interest, regional and state support to stage the tourneys in as late as possible to the most fans.

**DARNED HOOSIERS**  
Frankly if the Anderson College's basketball team were to play at the Indianapolis Coliseum, it still would not attract the fans that would be large enough to fill the place.  
Personally we'd like to see the game played indoors. If we could get a few thousand people indoors, it would be a lot better than the outdoor tourneys ! ! !

**ST. MARY'S BIG NEED**  
ST. MARY'S HIGH SCHOOL needs a new gymnasium. It is reported as being in fine shape for tonight's contest.

**WOTTA SCENTER ! ! !**  
Clarence (Butch) Burns has an over-keen sense of smell. He can see it when a basketball player at a game has been smoking. It is reported he can even tell when a player needs dry socks—yep, you've guessed it, dirty feet and perspiring soles.

## RAVENS

Playing his first year on the Varsity, though a Junior in school, is Don Smith. His height and his smart, smooth ball-handling were an asset to the team.

Rangy Grant Genske, a Freshman lately from the service of Uncle Sam, joined the team in mid-season. His combination of height, smoothness, and speed helped the Ravens to a better late season showing.

Big J. D. Thomason, a Junior, was another valuable Raven, though handicapped by having to leave Anderson for several weeks in midseason. His work under the basket was excellent.

will start at about 9 o'clock.

## RAVENS

The effervescent, ever-cheerful little guard is Sophomore Ross Mitchell. Although handicapped by his shortness, he made up for it with lightning, slippery speed.

Gene Powell, another ex-G.I. and a Sophomore, showed good form, team play, and shooting accuracy in his first year of collegiate competition.

A holdover letterman from last year is Oscar Borden, a Senior. Playing a steady game at guard, he was a "dead-eye Dick" at the basket when he chose to shoot.

# RAVENS

One of the scrappiest men on the team is the man with the big hands, Wayne Thompson, a Freshman. Improving as the season wore on, this ex-G.I. became a regular guard, a strong bulwark on defense.

Bill Farlow, a Junior and a member of last year's squad, came back from the AAF to join the team again this year. Bill was an improving reserve.

Adam W. Miller Jr., better known as Bill, is another G.I. who came after the season started to help the Ravens. He added some much-needed scrappiness to the team and no small numbers of points to its scoring column.

## Pastime

Sport of sports at Anderson College is table tennis, and few students graduate without becoming experts. Here is Edwin Ogle serving while his partner, Millard Eddy, stands alertly by. Looking on is Paul Tanner.

## Tired but Happy

At last they did it! In a tight, defensive game the Sachems defeated their arch rivals, the Boosters, to the tune of 24 to 22. It was their first victory in the traditional series, and are they happy!

## Bulletin!

One of the centers of attraction in the halls of Anderson College is the athletics bulletin board. Sports-minded people keep their eyes open for coming sports events.

# INTRAMURALS

Intramurals play an important part in student recreation. This year seven men's intramural teams competed in various sports, their chief interest being basketball. Representative of these teams are the Married Men, the Hill, and the Faculty teams pictured here. Other competing squads are the Ministerial, the McPheron, the Trick, and the Campbell House teams.

## BASEBALL

Here, looking mighty determined, is the 1946 Raven baseball squad just before the start of the season. With several returning lettermen and many promising newcomers, prospects look very bright indeed. Standing beside Coach White are Eugene Powell, Lee Wiens, Dick Maness, Grant Genske, Elmer Hossler, Al Lange, Ross Mitchell, Bob Macholtz, Pinkney Minton, Doug Anger, and Glenn Southerland, assistant to Coach White. Kneeling are Merle Wise, Phil Lemen, John Shriner, Marshall Call, Earl VanSipe, Hubert Bunyan, Cliff Noble, Charles Lee, and Bob Russell. Fred Knepp and Ernest Gross were not in the picture.

## *Warm-Up!*

# COLLEGE REVEALS ATHLETIC FIELD PLANS

## Packers Face Baltimore In Second-round Competition

## GOLFERS PREPARING FOR BANNER SEASON IN 1946

### Park Place Plat To Be Developed

Fieldhouse Seating  
Over 7,000 Is  
Proposed

Plans for a complete modern athletic and physical education plant at Anderson College, affording the Park Place institution facilities comparable to those possessed by larger schools in Indiana, were approved yesterday shortly after Dr. John A. Morrison, president, returned from Chicago, where he attended a meeting of Middle Western educators.

Announcement was made about a week ago that the school had leased a ten-acre tract of land on east Fifth street for athletic purposes, but the college did not, at that time, plan to release details for several weeks.

Although the complete plans have been prepared, Dr. Morrison said that it will be a considerable time before all construction work is attempted. However, he says, work will be started immediately on certain facilities needed in the athletic and educational program. The baseball diamond is listed as the initial project, with a softball field and an area for physical education classes next in order. It is believed possible that work on the track and field facilities can be started in the fall.

#### FOOTBALL INCLUDED

The plans released show a football field and fieldhouse. There has been a growing number of students at the college who have played football in high school, a survey taken here last fall showing more in this group than in basketball. Just when an effort may be made to introduce the sport here is not indicated. The fieldhouse, which will be of whatever type is most favored when construction becomes possible, will seat more than 7,000 persons, allowing a dirt floor for baseball, football and track practice indoors and will have include dressing rooms, offices, swimming pool and other features below permanent stands.

In going into details of the program, Dr. Morrison asserted today that, while the college will push development of its athletic set-up as rapidly as it can, the project will not in any way be allowed to delay construction of badly-needed dormitories, academic buildings, business administration building and chapel. It is hoped, at the school, that some of this work may be started during 1946.

#### NEW STREET PLATTED

The land leased is the west part of a twenty-acre tract owned by the Gospel Trumpet Company, and extends from East Hall, a college dormitory for girls, to Nursery road. Fifth street forms the north boundary and Sixth street is platted along the south. An alley to the west will be widened, and it is probable that another private road will be built to the east to give access from all sides.

Tennis courts will occupy an area already used for this activity. The fieldhouse, at present planned to be 120 feet by 170 feet, will be south of the courts. Just beyond will be an archery range for physical education classes, allowing room for future expansion of the fieldhouse if needed. At the southwest corner of the field will be permanent stands and bleachers for 2,400 spectators at baseball. Toilets and concession facilities will be under the permanent stand.

The baseball diamond will set in from the stands 66 feet with an 85-foot-wide backstop. The diamond will have a clear distance of more than 400 feet down both base lines and a bit over shortstop could travel 500 feet before reaching a fence. A softball field is north of the baseball set-up and far enough to permit moderate practice use of both at the same time.

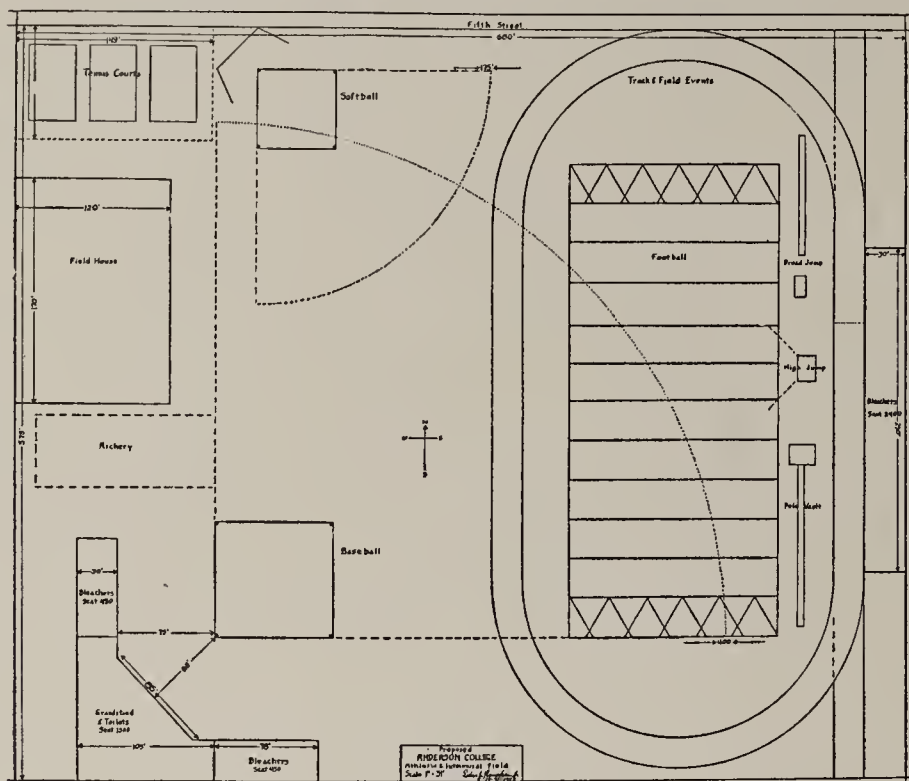

**TRACK PLANS ANNOUNCED**  
The back stretch of the quarter mile track cuts through the outfield of the baseball diamond something more than 250 feet from home plate at the closest point. The track will have removable curbs so as to allow a level field for baseball. As these are outside any other sports areas, they may be banked.

Bleachers for track or football, seating 2,400, will be located at the east side of the field. For football, once it is established, it will be possible to place bleachers for up to 7,000 persons if needed. The track allows for 220-yard straightaway which can be used either direction. Space for field events is located in front of the bleachers. Space for the football field is inside the track.

With such a plot Anderson College will be in a position to compete on an equal basis with other colleges of the Middle West, both in attracting athletes and in scheduling contests. The school expects to place in the field better teams in all sports for the next several years. Dr. Clifford W. White, athletic director, asserts the improvement will be evident in the 1946 baseball team and that the basketball prospects for fall are vastly improved. The school desires to enter active track and tennis, and probably golf competition by next season. Such schedules have been impossible to date because of lack of facilities.

**BARRETT, LANIER NAMED**  
Sarasota, Fla., March 29.—(AP)—Red Barrett and Max Lanier have been named to pitch for the St. Louis Cardinals today against the Boston Red Sox here.

### Proposed Arrangement Of Facilities Pictured

The arrangement of facilities in the proposed Anderson College athletic and intramural field, which would give the local institution a modern plant second to but very few possessed by smaller schools of the Middle West, is shown in the above diagram. The complete plat would include a fieldhouse seating more than 7,000 persons, a football gridiron enclosed by a quarter-mile track, separate baseball and softball diamonds, complete with baseball stadium, and areas for tennis courts and archery range. In the reproduction, which is reduced considerably from the original drawing, one inch equals approximately 85 feet. The top of the plat faces north.

### SOFTBALL TEAMS ARE ORGANIZED

According to R. E. Hensley, secretary of the Anderson Sunday School Athletic Association, eleven Anderson and Alexandria Sunday Schools will sponsor 29 teams which will participate in Junior, Intermediate and Senior Sunday School league competition during the 1946 season.

Teams entered in the various leagues are listed below:  
Junior—South Meridian, Mt. Hope, Salvation Army, Whetstone, Noble Street, First M. E., First U. B., Central Christian, Colonial U. B., U. B. Mission and First Baptist.  
Intermediate—South Meridian, Salvation Army, Jobie Street, First M. E., Colonial U. B. and East Lynn.  
Senior—Brethren, Bethany, Alexandria Baptist, Fifth Street Methodist, Bethel, First Baptist, Central Christian, First U. B., First M. E., Whetstone, Mt. Hope and South Meridian.

### LEGION TEAM TO WORK OUT

The George Hockett American Legion Post baseball team will stage its first workout of the season at 4 p. m. Saturday on the Delco-Remy diamond in South Anderson. Several Anderson High School and American Legion baseball players will perform with the team, and Manager Ray Stansen is seeking veterans of World War II to play with the club.

### Softball Group To Convene On Monday

A meeting slated for 7:30 p. m. Monday at the Anderson Y. M. C. A. will be attended by managers and sponsors of teams which will compete in the city's three softball leagues which are affiliated with the Anderson Softball Association. Plans for the forthcoming season will be discussed during the meeting, and proposed rule changes will be approved or disapproved. League umpires have been instructed to submit their names to association officials prior to Monday's meeting.

### BOWLING CRACK CHICAGO TEAMS TO ROLL

Buffalo, N. Y., March 29.—(AP)—Two crack Chicago teams were scheduled to take the alleys tonight at the American Bowling Congress tournament, with fans declaring the first 3,000 score in the five-men event was due to go up on the boards.

The Prima Beer five, which boasts a 895 average in the Chicago Classic League, is currently the hottest squad in that city. Veteran George Tbeel, who paces the squad, is a member of the 1942 champion Budweiser team, and a former doubles partner of Joe Wilman, world match game champion. Also on the squad are Pete Peterson, who throws the fastest ball in the A. B. C. competition, and George Norrison, all-events champion back in 1930.

The Mobilgas five, which has a 990 average in the Chicago Classic League, was set to take the slides at the same time.

Few changes marked the tournament standings yesterday. The Rochester duo of Fred DeBlasse and Tony Jackson moved into third place on a 1,234 gross in the doubles, replacing the Buffalo team of Albert Dettliff and Edward Will, who totalled 1,232 March 17.

### Women Bowlers Plan Tournament

Columbus, O., March 29.—(AP)—Mrs. Emma Phaler, secretary of the Women's International Bowling Congress, said yesterday 1,543 teams, 2,227 doubles combinations and 4,354 individuals have entered the W. I. B. C.'s annual tournament to be held at Kansas City May 2 to June 7.

The W. I. B. C. has not held a tournament since 1942. Aside from the host state, Ohio will have the greatest number of team entries with 81, followed by Illinois with 73 and Wisconsin with 71. Milwaukee leads the cities in number of team entries, except for Kansas City, with 41.

#### REDS LIKE TAMPA

Tampa, Fla., March 29.—(AP)—The Cincinnati Reds will be back here next spring for their 14th training season in Tampa. President Warren Giles of the Reds and Mayor Curtis Hixon signed a new contract yesterday.

### Nine Holes Opened At Grandview

George Shafer Takes  
New Position At  
Batesville

Ushering in what is expected to be its biggest golf season in history, the "top nine" of Grandview's municipal eighteen-hole golf course was opened this morning, and work is being expedited toward getting the entire layout ready for formal opening, possibly about the middle of April.

The "top nine" includes the first, seventh, eighth, ninth, tenth, eleventh, sixteenth, seventeenth and eighteenth holes, in that order.

#### EDGEWOOD OPEN

Meanwhile, Edgewood Country Club's excellent nine-hole course is open, and some of the hardier golfers of the Anderson Country Club have already played practice rounds on their own eighteen-hole expanse of fairways and greens. The latter course is damp in spots, but otherwise in excellent shape.

Wayne Hensley, Grandview pro, has his golf shop in the basement of the city's clubhouse open, and Paul and Earl Gibbons, brothers, have opened the grill, and other facilities of the clubhouse are available.

Ray Hall, cashier at Grandview, has the starter house open, and the "ready for business" sign is up.

Howard (Red) Wilson, C. assistant to Hensley in the pro shop.

#### SMOKER SCHEDULED

Grandview Men's Golf Club will have a smoker Saturday at 7 p. m. in the clubhouse to make final plans for the start of the 1946 tournament season. C. B. Wolfe, club president, will have charge.

Unsold membership cards will be returned to Joe O'Neil, chairman of the membership committee, thereby concluding the membership campaign for the spring. Memberships will still be available tomorrow night, however.

Handicap arrangements for the season will be discussed and the tournament schedule will be read and explained.

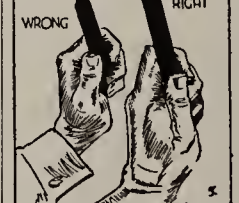

Members of the Anderson and St. Mary's High School golf teams have received honorary memberships in Grandview Club.

Because of his connection with the clubhouse concession, Paul Gibbons has resigned from the entertainment committee of Grandview Club and has been replaced by Matt Brinduse. Vern Thacker is chairman of that group. Brinduse, who formerly served on the handicap.

(Continued On Page Seventeen)

### One Minute For Golf

By CHESTER HORTON  
Master of Written Instruction

The grip pictured at the left is the way beginners are apt to grip the club. And it is the wrong grip. To grip the right way, move the thumb over until it is opposite of the tip of the forefinger. Then when the right hand closes over this left hand the two are properly locked and that left thumb provides important support for the shaft by being under the shaft at the top of the backswing. You will find by experimenting that there is actually a big difference when you swing the club with the thumb in the wrong position as compared to swinging it in the correct position. Try it and see. I am dwelling on the left hand work in the grip because, while the grip of both hands is extremely important the left predominates.

**Colored Legion Nine  
To Practice Sunday**  
The William Hall Colored American Legion Post baseball team will conduct its initial drill Sunday on the Westvale diamond. An organization meeting was held Wednesday night at the Legion Hall, Sixteenth street and Madison avenue.

**MARKLEVILLE TO  
FETE ARABIANS**  
Markleville, March 29.—The annual banquet honoring members of the Markleville high school basketball team, which has been arranged by the local Parent-Teachers' Association, will be conducted tonight in the high school gymnasium.

Bob Collier, former Markleville coach, who recently returned after service in the Navy, will serve as toastmaster, and the principal address will be delivered by Tom Baker, Anderson basketball official.

**TO PERFORM TONIGHT**—Anderson's basketball hopes brightened considerably when it was learned that sharpshooting Ed Stanczak, above, who was injured Monday night in the Chicago Stadium, will be in shape to participate in tonight's Anderson-Baltimore engagement in Chicago. The Anderson star tallied 428 points in 28 games during the winter, and racked up 21 markers against Cleveland in the first game of the professional tournament.

### TRACK CHAMPIONS ARE TO PERFORM IN CHICAGO RELAYS

Chicago, March 29.—(AP)—Six national A. A. U. track champions, seven from the Big Ten and three from the Central Collegiate Conference will provide an intersectional flavor to the 10th annual Chicago Relays at the Chicago Stadium tomorrow night.

Leslie MacMillan, reigning king of the millers, who has won seven straight indoor mile victories this season, leads the brigade of national champions entered in the meet, sponsored by the Chicago Daily News.

The New Yorker is favored to make it eight straight in the Banker's Mile tomorrow.

Elmore Harris will be back to defend the 800-yard title in the 1946 relays. Also entered in the event is Roy Cochran, former Indiana University star, now taking postgraduate work at the University of Southern California, and Herb McKenley, University of Illinois middle distance runner, who won the conference 440 in the record tying time of :48.1.

Other national titleholders and defending champions in the relays will be Forest Efron in the Marston two-mile and Ed Dugger in the hurdles. In the 1,000-yard event Fred Sickingler A. A. U. and I.C.A. champion, faces keen competition from Bill Clifford, Ohio State freshman and Big Ten mile indoor champion.

In addition to McKenley, Illinois will furnish three other Big Ten titlists—Dwight Edelman, defending champion in the high jump; Bill Matthis in the sprints and George Walker in the hurdles.

Billy Moore, of Northwestern, will be the only double champion in the games. He won the A. A. U. pole vault title and followed with a victory in the Big Ten championships. Claude (Buddy) Young, former Illinois star, will be making his first indoor start since 1944 when he won the Lambert sprint series.

Bill Leonard, of Notre Dame, Central Collegiate mile champion who has run the fastest collegiate mile of the winter, heads the Irish entry. Other C. C. C. titlists are Fred Feller, of Drake, entered in the two mile run, and Ed Taylor, of Western Michigan, outstanding high jumper.

**MARKLEVILLE TO  
FETE ARABIANS**  
Markleville, March 29.—The annual banquet honoring members of the Markleville high school basketball team, which has been arranged by the local Parent-Teachers' Association, will be conducted tonight in the high school gymnasium.

Bob Collier, former Markleville coach, who recently returned after service in the Navy, will serve as toastmaster, and the principal address will be delivered by Tom Baker, Anderson basketball official.

**SWIM CAMPAIGN  
To Commence  
Local Y. M. C.**  
Final preparations are being made at the Anderson Y. M. C. A. Institution's twenty-four inch Learn-to-Swim campaign, which will be conducted during spring week, April 1 to April 6, in the Y. M. C. A. pool.

More than 1,400 Madison children participated in the 1945 campaign, and indications are a number of boys and girls will participate in next week's event, which will be held at the Y. M. C. A. pool (40 feet), and for the test an enrollee must be at least 20 feet. Diving and from the spring board at the end of the pool is also required.

A poll conducted last year for the campaign revealed that 71.7 percent of the boys and 39.9 percent of the girls in Anderson who were nine years or older were able to swim. A major portion of these youngsters learned to swim at the local Y. M. C. A. during Learn-to-Swim campaigns.

### Anderson To Oppose Strong F

Stanczak's Recov  
Bolsters Team I  
Tonight's Test

**TONIGHT'S GAMES**  
7 p. m.—Anderson vs. Baltimore  
8:15 p. m.—Fort Wayne vs. Anderson  
9:30 p. m.—Sheboygan vs. Anderson  
10:30 p. m.—Oshkosh vs. Anderson

Chicago, March 29.—The Anderson Packers, who defeated Cleveland Allens by a 18-point margin Monday night in the opening of the eighth annual World's Professional Basketball Tournament in Chicago, will be put to their toughest test tonight when they slide at 7 p. m. with the Baltimore Bullets in the Chicago Stadium.

After tonight's tilt only the original 14 professional players will remain in the tournament and all of tonight's engagements will be interesting.

The defending champions, the Wayne Zollners, meet a strong team in the Chicago Stadium from Midland, Mich., who are a decisive victory over the Indiana Kautskys Monday night.

**GEARS MEET REDSKIS**  
The Chicago-Sheboygan affair will be highlighted by the performance of a trio of gladiators: Chicago's Mikan and Mike Novak and Dancker, of Sheboygan. The pair of Novak and Dancker in the skin lineup will offset the heavy advantage which the 6-foot 9-inch, normally gives the Windy City Miksa, who was smothered the major portion of the Chicago-Pittsburgh fracas by the Chicago Bulls, who lost 17-13 in his first tournament game.

The final game of tonight's program will pit the New York Knicks against the Oshkosh All-Stars. The Knicks, who are the defending scoring record Wednesday when they stuffed 82 points a game while blitzing Toledo the All-Stars qualified for the round competition by eliminating Detroit Mansfields on Wednesday.

Anderson's hardwood fans recently heartened by the announcement that the Packers' Ed Stanczak, who was injured in Monday night's game, will be in the Anderson lineup tonight when the Packers and the Bulls clash. Stanczak, who is in the first six games of the classic will split Winter Midland, succeeded in toppling the Bulls.

With the exceptions of Stanczak and Oren Nichols, the Packers remained in Chicago after the game, and have been directed to a southbound train for the South Side. If the Duffeymen are in the lineups, they will be in the lineups.

Stanczak's recovery from his injury in Monday night's game, will be in the lineups. Stanczak, who is in the first six games of the classic will split Winter Midland, succeeded in toppling the Bulls.

In their activities and projects, the Boosters strive to uphold the ideals that are portrayed by their emblem, the cross on which signifies the strength of religion, and the fleur-de-lis, loyalty to a cause.

During the year the Booster Club has sponsored all-school prayer vigils; it has sponsored and contributed to the support of two French orphans, and it has presented plays and provided a scholarship for a worthy athlete. At the weekly meetings, the orphans are remembered individually in prayer and the members present write letters to them.

Knowing I have done what's right;  
Let no envy, malice, greed  
Fill my heart. . . . Be this my creed."*

The Camarada symbol is the clasped hands of friendship. This year's activities included breakfast hikes, sing fests, fellowship meetings, and projects for service.

## DRAMATICS

AMBER GUFFEY, *president*      EARL VANSIPE, *vice-president*      JUNE WEIGLE, *treasurer*  
 GRACE MOHNS, *secretary (first semester)*      ESTHER IKAST, *secretary (second semester)*  
 WALLACE WATERS, *representative, Student Council*  
 DR. JULIA EATON, *sponsor*

This was an active year in the history of the Dramatics Club. Plays presented included: *The Hoosier Schoolmaster*, *What a Life*, *The Great Big Doorstep*, *Last Stop*, *Chloey*, and *The Happy Journey*.

The purpose of the club is the development of personality and talent through creative interpretation. The club is one of the oldest and most active on the campus at Anderson College.

# PEP CLUB

POLLY SHINN, *president*

WILMA HURST, *vice-president*

DORIS BOWSER, *secretary*

GRACE NORWAT, *treasurer*

LEONA TUSSEY, *reporter*

The purpose of the Pep Club is to promote good will. This year the Pep Club choir has almost worked overtime, spreading love and cheer with their songs. The club is always ready to be of service to the school, the church, and the community.

# SACHEMS

RICHARD MEISCHKE, *president*  
EMERY WILLIAMS, *vice-president*

JOHN KANE, JR., *secretary-treasurer*

DR. KARDATZKE, *faculty adviser*

GEORGE RAMSEY, *sergeant at arms and reporter*

The word "Sachem" is of Algonquin origin and originally denoted an Indian chief or leader. The Sachems are endeavoring to learn to lead by first learning to serve, and this ideal is reflected in their motto: "God, first; others, second; self, last," and in the club song, sung vigorously each club meeting by a score of lusty voices.

The Dames Club, organized in 1942, is composed of the wives of college students and faculty men. They meet together for social and intellectual benefit. The new drapes in the student reception room was the club's project for the year.

LOLENE WOLFRAM, *president*

ELAINE SCHROEDER, *vice-pres.*

LULA MILLER, *secretary*

RACHEL RAMSEY, *treasurer*

## DAMES

## JEMADARIANS

A club of interest to the married men of Anderson College is the Jemadarians Club.

Phil Rusten, *snapshot editor*  
Kenneth Hall, *sports editor*  
Hilda Honeycutt, *art editor*  
DonDeena Fleenor, *club editor*

THE "portrait" which this year's *Echoes* staff brings to you is a sincere effort to capture and retain something of the spirit and flavor of life on the campus of our beloved Alma Mater. The task of producing this book has been an arduous, yet joyful one. Economic unrest, springing from the vicious cycle of industrial strikes, has created a major problem. The business staff, however, has met this condition courageously.

One could scarcely ask for a more conscientious or efficient business manager than James Woodward. He has worked tirelessly to make the book financially possible. In this important matter he was given invaluable assistance by his staff of workers. Edwin Ogle, psychologist and diplomat extraordinary, with his helpers, built prestige for the *Echoes* and Alma Mater with tactful hand-

 Ellsworth Palmer, *staff photographer*

ling of advertising. Popular John Kane, with his assistants, did a fine job with circulation.

Space is inadequate for a proper expression of the commendation merited by every member of the staff. Special mention, however, must be made of Howard Miller who, as associate editor, willingly took upon himself many extra responsibilities appertaining to the publishing of this book. Likewise, Ellsworth Palmer merits special recognition as he gave unstintedly of his time and talent in the production of the photography for this portrait.

Your editor in chief, A. O. Jenkins, gives further grateful acknowledgment to our amiable adviser, Dr. White, and to interested friends who offered valuable suggestions.

If this book helps you to relive some of your joyous experiences in A.C.-T.S., your staff will be very happy.

One of the older sectional clubs of Anderson College is the Easterners.

CLIFFORD THOR (N.Y.),  
*president*  
GEORGE VAN NORMAN (N.Y.),  
*vice-president*  
LOIS MILLER (Pa.), *secretary*  
GRACE NORWAT (Pa.), *treasurer*

## EASTERNERS

## SOUTHERNERS

The aim of the Southern Club is to support in any way possible some Southern student, and also to help further the cause of Anderson College.

W. B. EDDY, *president*  
ROY SAULS, *vice-president*  
EURETHA SORRELL, *secretary-treasurer*  
HELEN WAGES, *reporter*

The Kansas-Oklahoma Club meets the first Sunday of each month. Their purpose is to entice other young people from Oklahoma and Kansas to come to Anderson College. Various service projects were taken up this year.

DONNA STANLEY, *president*  
 ISOM CROCKETT, *vice-president*

The students have co-operated with the Student Council this year by making many suggestions. Basketball and baseball players were given a reduction in the price of meals at the school cafeteria as a result of Student Council action on students' suggestions. One of the major things done by the Council this year was the revision of the Bylaws. All regular committees as well as special committees worked hard and co-operated to make this a successful year for the Student Council.

## THE PROPOSED MEN'S DORMITORY

*E. F. MILLER*

The Alumni Association's project for 1945-46 has been a "Furnishings Fund" for this dormitory. In order to properly and adequately do this job of purchasing the furnishings for this building we must work at this same project throughout our fiscal year of 1946-47. We know we shall have the full co-operation of our Alumni members and friends.

We have not forgotten our chapel project of 1943-45. You are invited to continue your expression of interest in this most worthy project.

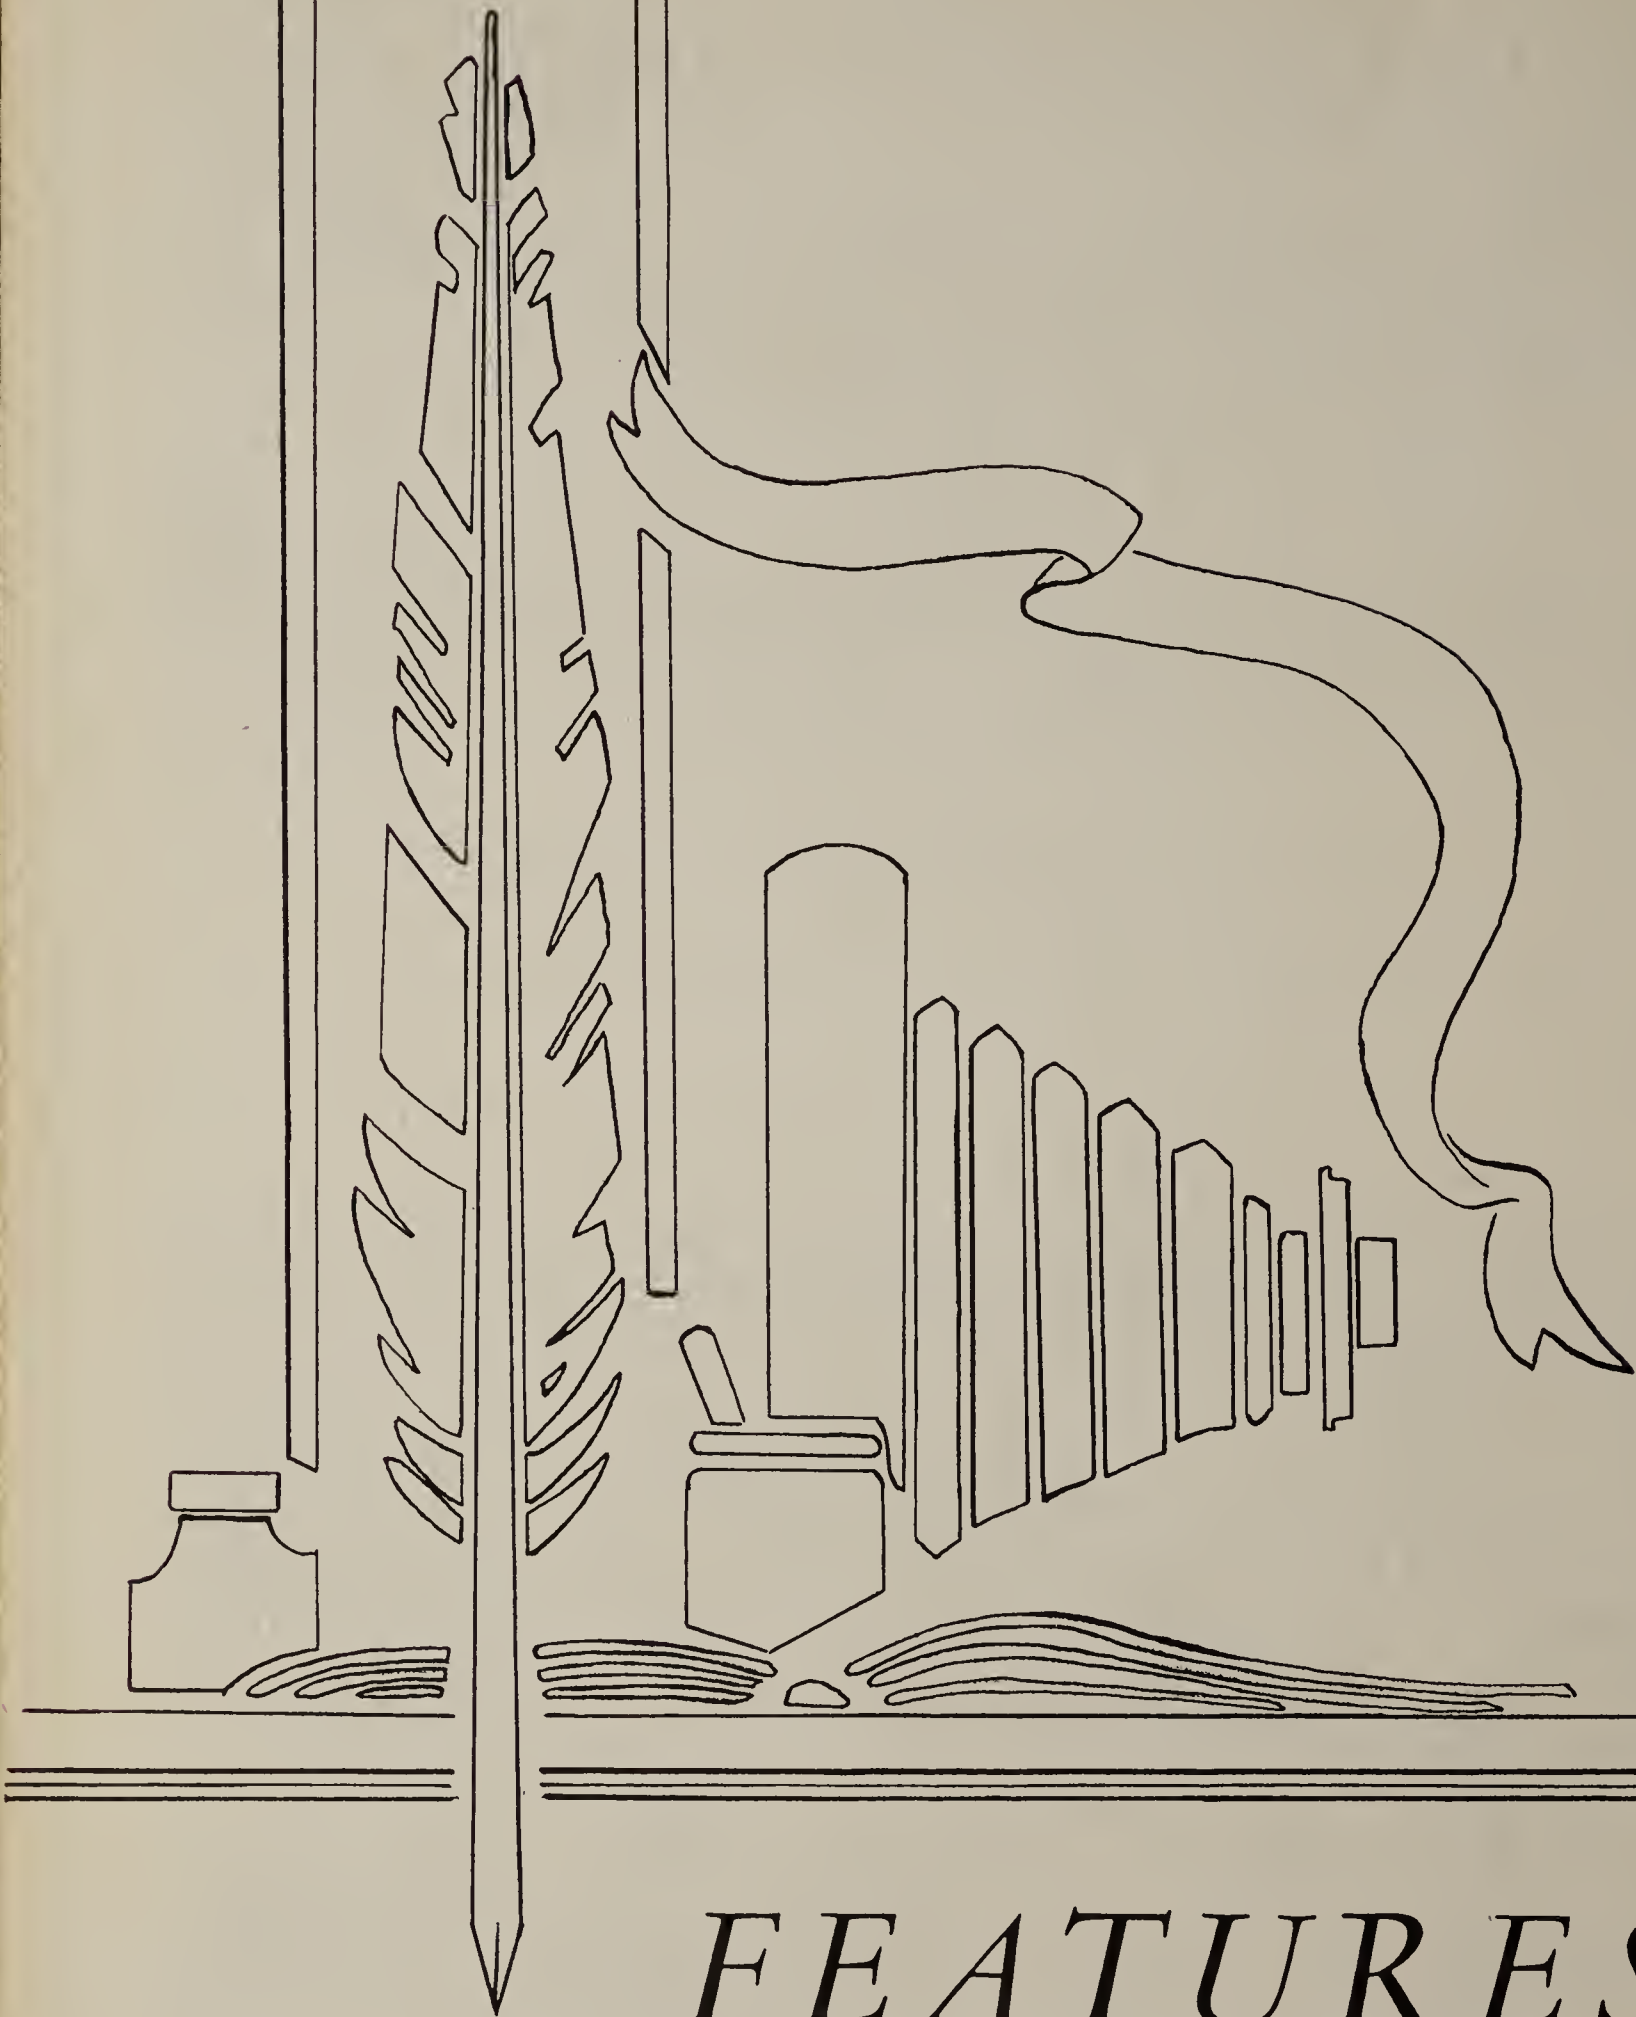

*A. F. WICKES*

## THE PROPOSED CHAPEL

May we be of service to all Alumni members?

Signed: Alumni Association Executive Committee: George Blackwell, president; Elmer Rich, first vice-president; Robert Reardon, second vice-president; Helen Holton, recording secretary; John H. Kane, executive secretary.

## *Appreciation*

In sincere appreciation we, the married students, dedicate this page to our own sons and daughters.

Four years of college is a stiff schedule for all youngsters. When they wanted to hear a story of the "Big Bad Wolf" or "Little Red Riding Hood," they listened instead to the philosophy of Kant or the musings of Omar Khayyam. So for the happiness they have given to us and the sacrifices they have made for our education, we parents say to our children, "Thanks for everything."

This is a complex, multi-themed collage, likely a yearbook or a collection of school-related ephemera. It is organized into several distinct sections:

- Top Left:** A shield-shaped logo with "BOOSTER" at the top, "A" and "C" in the center, and a cross symbol.
- Top Center:** A section titled "MEMBERS" containing a grid of handwritten names.
- Top Right:** A vertical strip labeled "ILLINOIS" with more names and a date "JAN 1946".
- Middle Left:** A large cross graphic surrounded by the words "PRES.", "SEC.", "TREA.", and "MINISTERS FELLOWSHIP".
- Middle Center:** A framed area titled "The Hoosier Schoolmaster" listing names like Kenneth Hall, Mythella Baublat, Wallace Waters, etc., along with their roles.
- Middle Right:** A section titled "CLUB" with a grid of names and a date "JUN 1946".
- Bottom Left:** A section titled "EASTER EGG" featuring a drawing of an egg and the word "PEPCO".
- Bottom Center:** A large, stylized letter "M" with the word "MEN'S" below it.
- Bottom Right:** A section titled "PROGRESSIVE WSA GA" with a grid of names and a date "JUN 1946".

The collage is filled with handwritten text, printed fonts, and various small illustrations, creating a dense and nostalgic visual experience.

In our talk a great need is made for special needs and important. Anything doing well calls for those who love the dollars of Christ and there is no cause of financial campaigns for missionary causes. We thank God for the liberal response to the missionary appeal from the pocketbooks of people who have advanced the missionary cause at home. But an even more powerful sign of a forward movement is the belief in the world that our students must be built up to give Christian leadership to our lost millions in our lost world.

# FINIS

And now, we must close the volume of our portrait. The class of 1946 has moved with Alma Mater in her march of progress. We now leave her halls, but we do not leave her life-stream. Her spirit has become our spirit, and her life has become our life.

As one, we pause for a moment of retrospection.

Well done, Alma Mater, you have rendered true service unselfishly.

Well done, Class of 1946, you have striven and attained.

What now? There still remains the "unfinished task." Millions of earth are enslaved by ignorance and superstition. While we are prospering, they lie with broken bodies, benighted minds, and fettered spirits. Shall we pass them by in their hopelessness?

We of the ever-expanding fellowship of Anderson College and Theological Seminary are wholeheartedly committed to the task of alleviating earth's ills. Ours must be a forward look, not one of retrospection.

So, "hats off to the past"; it has treated us not unkindly. But, "coats off to the future," the task awaits our hand.

A. O. JENKINS, *editor in chief*
